"SAN TOY" ACTRESS WEDS MR. CHANLER

(By Associated Press.)
NEW YORK, Dec. 4.—Miss Minnie Ashley, who made a hit in "San Toy," and former Congressman William Astor Chanler, who married her, were wedded in the Virginia hotel, surprised their many friends this afternoon by actually getting married.
The ceremony was performed in the rectory of St. George's Church, in Stuyvesant Square, by the Rev. William S. Sanford, a great friend of Mr. Chanler.
The only witnesses were Whitford Chanler, who acted as best man; Mrs. Ashley, mother of the bride; Miss Margaret Chanler, a sister of the bridegroom; Mr. and Mrs. Louis W. Weygant, Mr. and Mrs. John Chapman, and Mrs. Emmott.
Immediately after the ceremony, Mr. and Mrs. Chanler left for Palm Beach, Fla., where they will spend their honeymoon.

REGARDING CONTROL OF COUNCIL

No Proof Before Investigating Committee.

GIVES OPINION
OF G. E. FISHER

Major Martin Not Impressed by the New Yorker's Veracity.

CAPTAIN A. PIZZINI
NOT ABLE TO ATTEND

Messrs. Meredith, Manning, Bemiss and Martin the Witnesses Examined—A Letter Read From Judge D. C. Richardson as to Statements About Major Martin.

No new evidence of a startling nature was brought out before the Municipal Investigating Committee last night, as a result of information furnished by Mr. C. Manning, Jr., on a former occasion. Hon. Charles V. Meredith, Mr. E. L. Bemiss, Major M. M. Martin and Mr. Manning were examined. Messrs. Meredith and Bemiss testified that they were morally certain that crooked work was going on in the Council while the franchise fight was pending, but they had no specific recollection that Major Martin had said in their presence that he controlled votes in the Council.

Major Martin testified that he made no such statement. He further said that he would not believe any statement, which Mr. George E. Fisher, of New York, would make. Mr. Manning was on the stand for some time, and was cool and calm on the previous occasion, when he appeared. He said he had investigated the matters he had referred to then and had found that they were based on rumors, and he did not think it proper to bring them before the committee. He apologized for any flimsy language he may have used to the committee, and said it was meant for Chairman Minor and City Attorney Dillard, whom he thought had not treated him altogether fairly.

It is likely that another meeting of the committee will be held to examine Messrs. P. E. Montague and A. Pizzini, Jr., who were summoned, but who could not appear last night.

MR. MINOR'S STATEMENT.
The meeting was called to order at 8 o'clock by Chairman John B. Minor. Mr. Minor made a statement in reply to the lecture of Mr. Manning the other night, and he said he and the City Attorney had examined privately ten witnesses, for every one put on the stand, and many of them had been excused because they knew nothing which would aid the committee in their investigation.

Commonwealth's Attorney Richardson, who had been summoned, sent a letter asking that he be excused on account of an important engagement which took him out of the city.

MR. RICHARDSON'S LETTER.
The letter was practically the testimony which Judge Richardson would have given had he been present, however, and it went on to explain as to the allegation of Mr. Manning that during the recent grand jury investigation a gentleman had approached Judge Richardson and in an excited manner asked if the attorney had received a letter from New York of a damaging nature concerning him.

Judge Richardson wrote that Major M. Martin had approached him and asked if he had received a letter from William C. A. of New York, referring to him (Martin), and he told him he had not. Major Martin did not appear excited, though he was apparently interested. He requested Judge Richardson if he did receive such a letter to examine him (Martin).

ATROCIOUS AFFAIR AT CULPEPER

Boy of Fifteen Shot From an Alley and Dies From Loss of Blood.

(Special to The Times-Dispatch.)
CULPEPER, VA., Dec. 4.—Quintance Patton, a young boy, son of Mrs. Ella Patton, of this city, was shot in the right leg, cutting a large artery, and despite all medical skill, died from the loss of blood this evening. Young Patton was with some boys shooting Roman candles, when some one shot from an alley into the crowd of boys, the shot taking effect in Patton's leg about the knee cap, ranging downward, and coming out at the knee cap. The coroner's jury, after a long session and examination of many witnesses, came to no decision as to who fired the fatal shot, and adjourned until to-morrow morning at 9 o'clock.
The whole dreadful affair seems so far to be shrouded in absolute mystery, but some of the witnesses said in their examination that they saw a negro who was unknown to them by name, have a pistol in his hand and fire in the direction of the alley boy.
The community is very much stirred up over the death of the young boy, and the coroner's jury promises the most exhaustive examination into the atrocious murder of the fifteen-year-old boy. His mother is distracted with grief.

THESE MESSENGERS MOVE WITH SPEED.

COTTON IS VERY BULLISH

Market Opens Firm and Advances With Excitement a Plenty.

VERY ACTIVE AND IRREGULAR

Close Was Easier, With Prices Finally Steady, Net One to Eight Points Higher.

(By Associated Press.)
NEW YORK, Dec. 4.—After a night's reflection, the crop report of yesterday did not seem to appear any less bullish to the cotton trade. At any rate the market opened firm and ruled very active and excited. First prices were at an advance of seven to twentythree points with all the months selling at new high record prices for the season, on cables that were even better than expected, reflecting a very bullish interpretation of the government crop estimates by the English trade. Following the call here, there was a tremendous rally, but there was also tremendous covering, and bid support and fluctuations were so extremely active and violent, that it was almost impossible to tell whether the market was up or down from one minute to another. One of the active months was selling down, while another was selling up, and taken altogether it was one of the most erratic mornings of the season.

It seemed for a time, after the opening, as though the offerings were a little too heavy for the buying power, but before a shade under last night's finale, the market had rallied again to about the opening price.
All the morning the market was very active, and irregular. At the lowest level which was reached just about the end of the first half hour, January sold at 12.34, March at 12.45, May at 12.45 and 6 to 10 points, but the buying was very active on the lower level and shortly after the noon hour prices had been rallied to 12.50 for January, 12.73 for March, 12.71 for May and 12.66 for July. Trading was, perhaps, a little less active in the early afternoon, but the undertone was exceedingly nervous and unsettled.

Toward the close the market was rather easier with prices finally very steady, net 1 to 8 points higher. Sales were estimated at 1,700,000 bales.

CAUSED EXCITEMENT.

Manchester and Liverpool Stirred Over Situation.

(By Associated Press.)
LONDON, Dec. 4.—The rise in cotton caused intense excitement in Manchester and Liverpool to-day. American cotton advanced twenty-eight to forty-four points over yesterday's closing prices. It is stated locally that if the official crop estimate of the United States Department of Agriculture, made public yesterday, is correct, it means a terrible calamity for Lancashire.

The cotton trade is divided in opinion, one secretary contending that the demand for cotton goods, because of the falling off of orders from India and China, is not likely to be exceptionally great during the coming year, and that ten million bales, as estimated by the American Agricultural Department, will be sufficient to meet all requirements.
One of the largest firms of cotton spinners at Bradford announce that they are preparing to erect mills in the United States, to which they will transfer hundreds of looms, with their complement of combining, drawing and spinning machinery, the dismantling of which has already commenced. In making the announcement, the firm say: "The American manufacturers recently have made such vast improvements in the manufacture and design of the finest classes of goods, similar to those we produce, on which we are paying one hundred per cent, and upwards in duty, that we are confident our present American department will not be able to pay its way more than three or four years more at the most."

Editors on the Shortage.
(By Associated Press.)
LONDON, Dec. 4.—All the morning newspapers printed editorials concerning the serious effect which the cotton shortage in the United States will have on the Lancashire trade, and the cotton market in the United States. The market is generally held that the United States Department of Agriculture underestimated the crop, but the editors avail themselves of the crisis to point out the necessity of using the utmost caution to foster the cultivation of cotton in the British colonies, so as to broaden the area of supply.

In Manchester, local excitement was manifested thus in Liverpool, mainly because it is believed that the crop will ultimately average being as points higher than the official estimate. Manufacturers and spinners, therefore, are prepared to hold out for further reports of the crop. Leaders in the trade also point out that the present crop is likely to be a good one, while last year's crop was notoriously dead, and as a result there will be less waste.

Excitement in Liverpool.
(By Associated Press.)
LIVERPOOL, Dec. 4.—The cotton market opened amid great excitement. Futures were quoted at 38 to 40-100 in the higher January and February months, immediately to 5.50, and a point higher, and the market was quiet down considerably by noon. The tone was still firm. Official spot prices were advanced 40-100.

On the receipt of the New York market prices eased somewhat on general pressure. January futures were advanced 10 to 15 points, and June 5.00, amid some excitement, which continued through the afternoon, although rallying a little. The close was irregular and unsettled.
